

Staying Positive in a Negative World

Training | Keynote

**Most Requested
Program**

It is believed that your ATTITUDE, not your APTITUDE, determines your ALTITUDE in life. Experience an inspiring program done as a keynote presentation or hands-on program that has delighted audiences throughout the country. By participating in this program, you will discover how influential your attitude is to your happiness, success, and the results you get on the job, in your career, and with other people at work and at home.

Objectives

After participating in this dynamic program, you will be able to:

- Appreciate and enjoy the benefits of a positive attitude
- Analyze how good, bad, and ugly attitudes are communicated
- Adjust your attitude using five “attitude adjustment” techniques
- Maintain a positive attitude in a “negative” environment

Format

This interactive program uses stories, individual and group exercises, and self-assessments. Optional activities include video, role-plays, and projects.

Ideal Size

Keynote: No limit

Training: Up to 36 people

Length

Keynote: 30-90 minutes

Training: 3-8 hours

Agenda

- Attitude Awareness – How does your attitude impact your life?
- Attitude Analysis – How are attitudes communicated?
- 5 Attitude Adjustments – How can you eliminate stinkin’ thinkin’?
- 5 Attitude Maintenance Strategies – How can you stay positive in a negative world?
